QUARTERLY REPORT FOR THE RECORDS ADMINISTRATION STAFF

July - August - September 1964

I. VITAL RECORDS -

25X1

1. Reviewed and approved revisions to the following Vital Records Deposit Schedules:
 - a. Office of Computer Services
 - b. Office of Budget, Program
 - c. FE Division, DD/P
2. Received and approved a new Vital Records Deposit Schedule for Collection Guidance Staff.
3. Presented Vital Records Workshop to the Records Management Seminar at National Archives.
4. Presented a Special Vital Records Workshop for 50 Middle-Management Officials of the National Security Agency.

II. FORMS MANAGEMENT

Completed 51 new and 48 revised forms projects and eliminated 13 forms.

P. Hoagland

1. Presented 5 Forms Management Workshops to 49 Records Management Officers.
2. Completed 33 new and 31 revised forms.
3. Some of the significant forms projects completed were:
 - a. Prepared Form 2276, Performance Report for Medical Contract Personnel; This eliminates the processing of approximately 1,000 pieces of paper by physicians; eliminates repetition of data and expedites the payment for professional services.
 - b. Prepared Payroll Allotment for Voluntary Contributions.
 - c. Prepared Form 2307, Covert Name Checks; this is a 2 part NCR form which eliminates typing required by previous procedures.
 - d. Developed Form 2288, Physical Examination Work Sheet; this combines and eliminates 2 forms.
4. The Records Officer of OBI reports a savings of 700 man hours (about \$2000.) annually in their office and in Printing Services through the use of 2 NCR forms. These new forms eliminated 3 old forms and several memorandums previously required by the old procedure.

Approved For Release 2005/11/21 : CIA-RDP70-00211R000500100004-0

GROUP 1 and
2
Excluded from automatic
downgrading and
declassification

25X1

- [REDACTED]
1. Completed 18 new and 17 revised forms.
 2. Revised the Continuation Sheet of Dispatch form to eliminate one copy, saving 150,000 copies annually. Monetary savings of \$6878. in printing and storage costs.

IV. RECORDS MANAGEMENT SURVEY, OCR/AD & ADMIN STAFF

25X1

- [REDACTED]
1. Completed survey and submitted report. Immediate results from survey were: elimination of 16 cubic feet of obsolete records; establishment of a filing system; the release of 4 safes valued at \$2150., the use of inexpensive file folders with a savings of 24¢ on each folder and the training of office personnel in use of new system.

V. FILING EQUIPMENT AND SUPPLIES ✓

25X1

- []
1. Arranged a new secure area for Office of Security with a savings of \$2523. in equipment and 82 square feet of floor space.
 2. Approved requisitions for new Shelf File installations in the Historical Staff, and Office of Communications.
 3. Approved requisitions for Special Mail and File Equipment for OCI, OSI, and Office of Communications.

VI. ARCHIVES AND RECORDS OPERATIONS ✓

25X1

- []
1. The Net Holdings of records in Center at end of September amounted to 83,700 cubic feet; an increase of 1722 cubic feet since 30 June 1964.
 2. Serviced 28,782 requests for records stored at the Center.
 3. There were 52 visitors from Headquarters offices. Mrs. Hope Grace, Records Officer from the Bureau of the Budget was given a briefing on the operations at the Center. This was in accordance with arrangements approved by the Office of the DDS. Mrs. Grace obtained information which will be of assistance to her in planning a similar operation in the new office building that the Bureau of the Budget will occupy.
 4. Two members of the Records Center Staff - [] are enrolled at American University for a course in Records Management.
 5. It was necessary for the Records Center to make 3 special trips after hours to deliver urgently needed records to Headquarters offices.

25X1

VII. KENNEDY LIBRARY ✓

25X1

- []
